

DISCOVERY BIBLE STUDY

WHAT IS DISCOVERY BIBLE STUDY?

Discovery Bible Study (DBS) is a method of disciple-making used around the world to help Jesus followers deepen their faith through obedience and to help those who aren't following Jesus fall in love with him! DBS is not about teaching others the Bible, but instead engaging each person in a discussion guided by Scripture about who God is and how we can obey Jesus. The format is built on connection, discovery, obedience, and multiplication. This method is easy to learn, teach, and replicate as we carry out the commission to make disciples and disciple makers!

SERIES & STUDY

LOVE WON ANOTHER

This is an 11-week series and study about the "one another" commands in the New Testament. Every "one another command" is grounded in God's behavior toward us. God only commands what He is willing to do. So this is gospel behavior—by living this way, we wordlessly announce the good news of God's actions in Christ toward us.
